TEMPLATES ENABLER V4.X
SOFTWARE LICENSE AGREEMENT

This Software License Agreement ("Agreement") is made between Dark Blue Duck ("Developer") and yourself ("Licensee").

Developer has developed and licenses to users its software program marketed under the name Scanning Enabler (the "Software").

Licensee desires to utilize a copy of the Software.

NOW, THEREFORE, in consideration of the mutual promises set forth herein, Developer and Licensee agree as follows:

1. License.

Developer hereby grants to Licensee a perpetual, non-exclusive, limited license to use the Software as set forth in this Agreement.

2. Restrictions.

Licensee shall not modify, copy, duplicate, reproduce, license or sublicense the Software, or transfer or convey the Software or any right in the Software to anyone else without the prior written consent of Developer; provided that Licensee may make copies of the Software for backup or archival purposes.

3. Fee.

In consideration for the grant of the license and the use of the Software, Licensee agrees to pay Developer the sum of the license fee as published on the Developer's web site price list.

4. Warranty of Title.

Developer hereby represents and warrants to Licensee that Developer is the owner of the Software or otherwise has the right to grant to Licensee the rights set forth in this Agreement. In the event any breach or threatened breach of the foregoing representation and warranty, Licensee's sole remedy shall be to require Developer or to either: i) procure, at Developer's expense, the right to use the Software, ii) replace the Software or any part thereof that is in breach and replace it with Software of comparable functionality that does not cause any breach, or iii) refund to Licensee the full amount of the license fee upon the return of the Software and all copies thereof to Developer.

5. Warranty of Functionality.

For a period of 30 days following delivery of the Software to Licensee (the "Warranty Period"), Developer warrants that the Software shall perform in all material respects according to the Developer's specifications concerning the Software when used with the appropriate computer equipment. In the event of any breach or alleged breach of this warranty, Licensee shall promptly notify Developer and return the Software to Developer at Licensee's expense. Licensee's sole remedy shall be that Developer shall correct the Software so that it operates according to the warranty. This warranty shall not apply to the Software if modified by anyone or if used improperly or on an operating environment not approved by Licensor.

6. Software Maintenance.

A. Standard maintenance. During the Warranty Period, Developer shall provide to Licensee any new, corrected or enhanced version of the Software as created by Developer. Such enhancement shall include all modifications to the Software which increase the speed, efficiency or ease of use of the Software, or add additional capabilities or functionality to the Software, but shall not include any substantially new or rewritten version of the Software.

B. Optional support. After expiration of the Warranty Period, Licensee may continue to receive maintenance support for successive twelve (12) month periods. The charge for such optional support shall be Developer's regular list price. Licensor shall notify Developer in writing if it desires to receive optional support. Developer may elect to discontinue maintenance at any time upon notice to Licensee, and refund of any then unearned maintenance fees.

C. Software Assurance allows the Licensee to upgrade to newer software releases as they become available. Over time Software Assurance benefits expire.

7. Payment.

Payment of the license fee shall be made before delivery of the software license key. Payment of any other amount owed by Licensee to Developer will be provided in advance.

8. Taxes.

In addition to all other amounts due hereunder, Licensee shall also pay to Developer, or reimburse Developer as appropriate, all amounts due for property tax on the Software and for sales, use, excise taxes or other taxes which are measured directly by payments made by Licensee to Developer. In no event shall Licensee be obligated to pay any tax paid on the income of Developer or paid for Developer's privilege of doing business.

9. Warranty Disclaimer.

DEVELOPER'S WARRANTIES SET FORTH IN THIS AGREEMENT ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

10. Limitation of Liability.

Developer shall not be responsible for, and shall not pay, any amount of incidental, consequential or other indirect damages, whether based on lost revenue or otherwise, regardless of whether Developer was advised of the possibility of such losses in advance. In no event shall Developer's liability hereunder exceed the amount of license fees paid by Licensee, regardless of whether Licensee's claim is based on contract, tort, strict liability, product liability or otherwise.

11. Notice.

Any notice required by this Agreement or given in connection with it, shall be in writing and shall be given to the appropriate party by personal delivery or by certified mail, postage prepaid, or recognized overnight delivery services.

12. Governing Law.

The laws of England and Wales will govern the interpretation and enforcement of these Terms and Conditions.

Neither this Agreement nor any interest in this Agreement may be assigned by Licensee without the prior express written approval of Developer. Provided that a corporate successor resulting from a merger or consolidation of the Licensee and another organisation will retain rights granted under this agreement.

14. Source code escrow.

If the Developer is unable to provide maintenance of the Software because of bankruptcy the Licensee may be provided with a copy of the Software source code. The Developer shall not be responsible for, and shall not pay, any Escrow Agent fees.

15. Final Agreement.

This Agreement terminates and supersedes all prior understandings or agreements on the

subject matter hereof. This Agreement may be modified only by a further writing that is duly executed by both parties.

16. Severability.
